

**Office of Unified Communications
Final Statement
September 18, 2022 - 600 Block of H Street, NE**

The Office of Unified Communications is aware of the inaccurate social media report about this incident. A caller, who was not onsite at the incident location, reported that they had been told that there was smoke in an apartment in a building in the 600 block of H Street, NW. Per protocol, the 911 call taker verified the incident location twice. Upon receiving verbal confirmation of the incident location from the caller, the call taker sent the call to be dispatched to the 600 Block of H Street, NW.
